

Social Distancing

It is vitally important that we all continue to work together to keep each other safe during the COVID pandemic. We are currently in the highest tier – tier three due to the very high number of cases in the North West. I have attached a poster to the newsletter to help you understand the tier 3 rules.

Can I please remind you to maintain social distancing at all times whilst on site. Face masks **MUST** be worn at all times and all correspondence with the school office needs to be by phone, email or through the postbox.

Christmas Cards

Many children have been asking about bringing Christmas cards to school for other Children. We will be allowing children to bring cards in. To keep everyone safe we will be quarantining cards for 72 hours before they are given out. Children must place their cards in the box inside their classroom and not hand them out their selves.

Thank you

Road Safety Week

Thank you to all of the children who took part in the competition to create their own **Road Safety Poster**. The winning posters will be displayed around the school environment.
