

Homework:

Please select one piece of homework to complete each week.

Hand these in by Friday for your teacher to celebrate your amazing work.

Maths task

To challenge yourself to solve division problems. Record answers in books and show working out.

Year 5 Spring 1

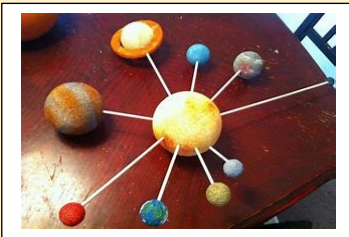

Homework

Remember:

- Revising times tables
- Learning spellings
- Reading every night

Creative task:

Create a model of the solar system.

Science task:

Look at the science vocabulary on the wordsearch. Find the words on the grid and then choose at least four words and write their meanings in your book.

English task

Complete the comprehension in your book, make sure you answer the questions in full sentences.
