<b>Record of PPG Spending By Initiative</b>			
<b>Item/Initiative</b>	<b>Cost</b>	<b>Aims of Spending</b>	<b>Outcome/Impact</b>
Employ an Intervention Teacher to work across the school (0.6).	£22,500	<p>For Intervention teacher to work more widely with FSM pupils across the school in identifying gaps in phonics, reading and maths skills and organising catch up interventions to narrow the gap to non-free school meal pupils.</p> <p>To work with more able children to ensure they achieve their potential.</p>	<p>PPG pupils supported through interventions in small groups for reading, phonics and maths from October half term. Focus initially on Years One and Two. Support also in Reception from February 2015.</p> <p>More Able PPG children especially in reception targeted for intervention to ensure good progress through challenge. Major focus in reception on writing and maths. Maths challenge group in Y2 to target children for L3 – achieved.</p>
Support School Trips	£1000	To ensure all pupils have access to school visits to enrich their curriculum and remove the potential cost barrier.	All children attended, and enjoyed, the trips especially whole school trip to Blackpool Zoo. Writing skills were developed as trips and visits used as writing starting points.

			Learning experiences enjoyed by all – Zoo2U, chicken hatching etc.
Provision of Uniform	£36 per child	To ensure equality and raise the self esteem of pupils and confidence.	All pupils were supported with uniform to help boost confidence and ensure vulnerable children do not feel alienated from peers.
